

# About the package

**This is a package, containing nearly all the files needed to complete the 3ds 11.10 Fredminer Guide. Use these files as this video tells you! Be careful and enjoy! Here is the appropriate link: <https://m.youtube.com/watch?v=68BosWlnlXI&t=429s> follow it carefully! Now, the next page is how you can share it.**

**You can share this file in different ways. You can e-mail it, post it to Github, or any other file sharing platform. It is fine by me! Try to spread this to others, to help them out!**

**Now, enjoy the package!**
